

FOUNDATIONS IN HEALTH SCIENCES EDUCATION (GR. CERT.) (15 CREDITS)

Offered by: Fndtns in Health Sciences Educ (Faculty of Medicine and Health Sciences)

Program credit weight: 15

Program Description

The Graduate Certificate in Foundations in Health Sciences Education focuses on theoretical and evidence-based knowledge and practical skills in the areas of teaching and learning, curriculum and course design, assessment and evaluation, leadership, and scholarship as applied to health sciences education. Program content includes contemporary educational and psychological concepts, theories, and evidence-based practices relevant to specific contexts in which health and health science professionals practice, and the different educational roles they are likely to assume. The blended learning format includes face-to-face instruction, and synchronous and asynchronous online learning. The program includes project-based assignments that build on one another, provide opportunities to integrate courses, and explore their application to authentic personal contexts.

Note: For information about Fall 2025 and Winter 2026 course offerings, please check back on May 8, 2025. Until then, the "Terms offered" field will appear blank for most courses while the class schedule is being finalized.
