Program Description

The Master of Management in Finance; Non-Thesis (MMF) program is a flexible-length specialized masters degree in finance. The choices are program completion within 12, 16 and 20 months. The program is part of the Faculty's expanding portfolio of specialized MM programs. The distinguishing features of the program are

The crucial 9-credit major paper requirement is fulfilled either by

2. independently working on a research project.

The program will contain an investment and corporate finance focus and it will have an advisory board of executives from financial and non-financial corporations.
