

EXPERIMENTAL MEDICINE (THESIS): BIOETHICS (M.SC.) (45 CREDITS)

Offered by: Medicine (Faculty of Medicine and Health Sciences)

Degree: Master of Science

Program credit weight: 45

Program Description

The M.Sc. in Experimental Medicine; Bioethics focuses on conducting innovative research in relation to a bioethical issue pertinent to health care, and bioethical issues from the current viewpoint of other relevant disciplines such as law, philosophy, and religious studies. The program includes a bioethics practicum; the thesis must focus on bioethics in relation to experimental medicine.

Note: For information about Fall 2025 and Winter 2026 course offerings, please check back on May 8, 2025. Until then, the "Terms offered" field will appear blank for most courses while the class schedule is being finalized.
