

PATHOLOGY (THESIS) (M.SC.) (45 CREDITS)

Offered by: Pathology (Faculty of Medicine and Health Sciences)

Degree: Master of Science

Program credit weight: 45

Program Description

All students must take PATH 300 Human Disease. plus a course in statistics if they have not completed these requirements before admission.

Candidates with insufficient background in one of the biomedical sciences will be required to take specific courses to remedy the deficiency. These and additional courses that are relevant to the student's area of research will be chosen in consultation with the research director and Graduate Students Committee.

Note: For information about Fall 2025 and Winter 2026 course offerings, please check back on May 8, 2025. Until then, the "Terms offered" field will appear blank for most courses while the class schedule is being finalized.
