

ADVANCED NURSING (NON-THESIS): GLOBAL HEALTH (M.SC.A.) (48 CREDITS)

Offered by: Ingram School of Nursing (Faculty of Medicine and Health Sciences)

Degree: Master of Science Applied

Program credit weight: 48

Program Description

The Master of Science (Applied) in Advanced Nursing; Non-Thesis - Global Health program focuses on collaborative, trauma-informed, culturally safe, Strengths-Based Nursing (SBN) and health care approaches to working with underserved populations including in limited-resource and rural environments. The concentration stresses the importance of understanding the inherent power dynamics, systemic barriers, and ethical dilemmas that arise through this work. The program emphasizes health equity focused content throughout. In the final year of study, the program includes one semester in a global health partnership site (locally, provincially or internationally) that focuses on clinical and project-based work.

Note: For information about Fall 2025 and Winter 2026 course offerings, please check back on May 8, 2025. Until then, the "Terms offered" field will appear blank for most courses while the class schedule is being finalized.
