

NURSE PRACTITIONER (NON-THESIS): PRIMARY CARE (M.SC.A.) (45 CREDITS)

Offered by: Ingram School of Nursing (Faculty of Medicine and Health Sciences)

Degree: Master of Science Applied

Program credit weight: 45

Program Description

**** New Program.** This program replaces the (M.Sc.A.) Nursing (Non-Thesis): Primary Care Practitioner. ******

The Master of Science(Applied) Nurse Practitioner; Non-Thesis – Primary Care is open to nurses with a Bachelor of Science in Nursing degree and is taken in combination with the Graduate Diploma in Primary Care Nurse Practitioner. The program focuses on a wide range of acute and chronic health concerns across the life span and includes activities related to assessment, diagnosis and treatment within the primary care nurse practitioner's legally sanctioned scope of practice. Graduates may be eligible to be a candidate for the Ordre des infirmières et infirmiers du Québec's Primary Care Nurse Practitioner specialty examination.

Note: For information about Fall 2025 and Winter 2026 course offerings, please check back on May 8, 2025. Until then, the "Terms offered" field will appear blank for most courses while the class schedule is being finalized.
