

BIOLOGY (THESIS): ENVIRONMENT (M.SC.) (45 CREDITS)

or 3 credits at the 500 level or higher recommended by the Advisory Committee and approved by the Environment Option Committee.

Offered by: Biology (Faculty of Science)

Degree: Master of Science

Program credit weight: 45

Program Description

****This program is currently not offered.****

The M.Sc. in Biology; Environment option is a research program offered in collaboration with the Bieler School of Environment. As a complement to the unit's expertise, the program considers how various dimensions (scientific, social, legal, ethical) interact to define environment and sustainability issues.

Note: For information about Fall 2025 and Winter 2026 course offerings, please check back on May 8, 2025. Until then, the "Terms offered" field will appear blank for most courses while the class schedule is being finalized.
