

BACHELOR OF SCIENCE IN FOOD SCIENCE - B.SC.(F.SC.) (OVERVIEW)

Refer to Bachelor of Science (Food Science) - B.Sc.(F.Sc.) for a full list of B.Sc.(F.Sc.) programs offered.

Food Science

- Food Chemistry option
- Food Science option

The Food Science program has been designed to combine the basic sciences—particularly chemistry—with specialty courses that are directly related to the discipline.

Academic advising is available to students who need more information.
