

CONCURRENT BACHELOR OF SCIENCE IN FOOD SCIENCE - B.SC.(F.SC.) AND BACHELOR OF SCIENCE IN NUTRITIONAL SCIENCES - B.SC.(NUTR.SC.) (OVERVIEW)

Unique in North America, the concurrent degree program in Food Science and Nutritional Science allows students to complete two degrees at once while offering the best education in these complementary fields. This program opens the door to a multitude of career paths in the nutrition and food industries.

The Food Science component of the program focuses on the chemistry of food and the scientific principles underlying food safety, preservation, processing, and packaging, to provide consumers with quality foods. The Nutritional Science component deals with the science of human nutrient metabolism and the nutritional aspects of food. The program has been carefully structured to ensure that students receive the training that the industry demands, including a stage placement in the Nutrition or Food Industry.

Detailed descriptions of concurrent programs are available at these links:

- Food Science/Nutritional Science Major (Concurrent) (B.Sc. (F.Sc.)) and (B.Sc.(Nutr.Sc.)) (122 credits)
- Food Science/Nutritional Science Honours (Concurrent) (B.Sc. (F.Sc.)) and (B.Sc.(Nutr.Sc.)) (122 credits)
