---

## About Education for Arts Students

This Minor Concentration allows Arts students to develop and explore an interest in education. It gives students a solid footing in the basics of pedagogy and may provide a starting point towards a B.Ed., B.A. (Education), or MATL degree. Students who wish to apply for the minor must first review important information and procedures on the Faculty of Education website.

Completion of the Minor concentration does not qualify a student for certification to teach in the province of Quebec. Students interested in a teaching career should consult Undergraduate Education program offerings, or Integrated Studies in Education for graduate program information.
