Program Description

The Joint Honours program offers a significant degree of analysis and depth of study into contemporary and historical critical issues centered on gender, sexuality, feminism, and social justice beyond the Major through required and complementary course work, intensive research, and seminars. The program enables students to explore the meanings and intersections of such categories as gender, race, class, sexual identification, age, ability, citizenship, and national identity, for example, and to examine how such categories might inform and reproduce power relationships. The Joint Honours program culminates in the completion of an Honours thesis, supervised by a faculty member whose approval is sought the year prior. The Colloquium requires supplemental reading and writing assignments, training in research and thesis writing methods, presentation to the group of theses in progress, and response to the work of others. Joint Honours students must maintain a program GPA of 3.30 and a CGPA of 3.00.

Students are advised to take GSFS 200 Feminist and Social Justice Studies. and GSFS 250 Sexual and Gender Diversity Studies. in their first year in the program, and GSFS 300 Research Inquiry in GSFS. in their second year of the program. Students must take GSFS 495D1 Honours/Joint Honours Colloquium./GSFS 495D2 Honours/Joint Honours Colloquium. and GSFS 497D1 Joint Honours Thesis./GSFS 495D2 Honours/Joint Honours Colloquium. in their last full year of the program.
