Faculty of Dental Medicine and Oral Health Sciences

The Faculty of Dental Medicine and Oral Health Sciences at McGill University has a long and proud tradition of excellence in both its teaching and multidisciplinary research programs. Highly regarded for the quality of its students and for its innovative research activities, the Faculty's national and international reputation stands tall amongst the best faculties of dentistry in the world. With a highly engaged and dynamic professoriate and support staff, and with a diverse and passionate undergraduate, graduate, and postdoctoral student community, the Faculty provides a stimulating, academic environment in the life sciences that nimbly adapts to advances in professional dentistry, craniofacial, oral health, and multidisciplinary research.

Mission Statement

Vision

The Faculty of Dental Medicine and Oral Health Sciences, McGill University, envisions a healthy and equitable society. It is committed to the promotion of oral health and quality of life in the whole population, with emphasis on the needs of underserved communities and individuals.

Mission

- To enable oral health professionals to attain the highest levels of competence and commitment to patients and to the community.
- To foster outstanding research, and to educate and nurture students in order to increase knowledge and improve the well-being of the population.
- To serve the population through the delivery of oral health care in hospital facilities and through outreach programs in underprivileged communities.
- To maintain a leadership role in oral health education, in scientific research, and in the shaping of public health policy, with an emphasis on reducing health inequalities.

Values

Commitment to excellence and innovation.

- Dentistry (Four-Year Program) (D.M.D.)
- Dental Preparatory (Dent-P) (B.Sc.)
