Entrance scholarships are available for students accepted to the Dent-P Qualifying Year. They are not awarded by the Faculty of Dental Medicine and Oral Health Sciences, but by the Faculty of Science or the central Scholarships and Student Aid Office. During this one-year Dent-P Qualifying Year, students are registered in the Faculty of Science and hence are eligible for university entrance scholarships. Once the student is promoted to the DMD Program under the Faculty of Dental Medicine and Oral Health Sciences, these scholarships are renewable annually for three academic periods if the student meets the renewability criteria.
