

EDUCATION

Faculty of Education

For over a century, McGill University has prepared students for exciting and rewarding careers in a range of education-related professions. The Faculty's mission is to advance both knowledge and professional practice through its leadership role in Education in Quebec, across Canada, and throughout the international community. In pursuit of our mission, we offer a variety of programs at both the undergraduate and graduate level.

Department of Integrated Studies in Education

The Department of Integrated Studies in Education (DISE) offers undergraduate programs that are committed to the preparation of exceptional teachers for work in elementary and secondary schools. DISE offers four-year bachelor of education programs for CEGEP graduates and five-year programs for out-of-province students. In addition, DISE accommodates students with completed or partly completed degrees in other disciplines.

The Department offers:

Bachelor of Education:

- Secondary English
- Secondary Mathematics
- Secondary Science and Technology
- Secondary Social Sciences
- Kindergarten and Elementary Education
- Kindergarten and Elementary Education (First Nations and Inuit Studies)
- Kindergarten and Elementary Education (Jewish Studies)
- Kindergarten and Elementary Pédagogie de l'immersion française (PIF) (French Immersion)
- Teaching English as a Second Language

Concurrent Degrees:

- Bachelor of Music and Bachelor of Education in Music (Music Education)

Bachelor of Arts (Education):

- Major in Education in Global Contexts

Special Programs:

- Programs for First Nations and Inuit

For more information and full program details, refer to the Department of Integrated Studies in Education.

Department of Educational and Counselling Psychology

The Department of Educational and Counselling Psychology (ECP) is committed to the advancement of scientific knowledge through research and practice in education and psychology. ECP addresses cognition and development in typical and atypical populations

across the lifespan. Broadly speaking, researchers examine issues pertaining to assessment and intervention; cognitive processes and developmental neuroscience; and the design and evaluation of learning environments and instructional practices.

The Department offers:

- Minor concentrations for undergraduate students

For more information and full program details, refer to the Department of Educational and Counselling Psychology.

Department of Kinesiology and Physical Education

The mission of the Department of Kinesiology and Physical Education (KPE) is to generate, advance, and disseminate knowledge about human health and physical activity, and to prepare professionals to engage in related employment.

The Department offers:

- Bachelor of Education – Major in Physical and Health Education
- Bachelor of Science Kinesiology – Major and Honours
- Minor in Kinesiology for Bachelor of Science students

For more information and full program details, refer to the Department of Kinesiology and Physical Education.
