

# BACHELOR OF ARTS AND SCIENCE (B.A. & SC.) - INTERFACULTY PROGRAMS

---

The Interfaculty Program Environment is open only to students in the B.A. & Sc. degree.

The Interfaculty Program Environment for the Bachelor of Arts and Science is designed to provide students with a broad "Liberal Arts/Science" training. In combination with careful mentoring, this program offers a great degree of flexibility, allowing students to develop the skills and knowledge base required to face the myriad of environmental problems that currently need to be addressed.
