

MAJORS

Management Major Programs

Major programs are available in Accounting; Business Analytics; Economics; Finance; Information Technology Management; International Management; Managing for Sustainability; Marketing; Mathematics and Statistics for Management; Organizational Behaviour and Human Resources; Retail Management; Statistics; and Strategic Management.

Because of the heavier demands of major programs, students desiring to pursue a program of this type are advised to declare their intention at the beginning of the program. Only grades of C or better may count towards the major requirements.

Mentors: Please consult the Bachelor of Commerce website.
