## Application Deadlines

- In order to ensure proper consideration, Web applications for the Fall term (September) must be submitted by **January 15**.
- The school does not normally admit students in the Winter term (January). Please consult the Music Admissions Office for exceptions.
- Applications received after these deadlines will be considered if places are still available.

## Application information

- Application information should include detailed descriptions of the applicant's musical background, training, and statement of intent—including diplomas, certificates, and/or transcripts.
- Applicants applying to the Music Education concurrent program are asked to submit a letter of recommendation. References for Music Education should comment on an applicant's potential to be a music teacher. Applicants add the name and email address of the referee within the application. McGill will then send a request to the referee to submit the recommendation. **Note: Letters of recommendation are not required for all other programs.**
- All supporting documents for undergraduate applications can be submitted within the application portal. See the Undergraduate Application Materials site for required materials.
- Once an admission decision is made, official transcripts are required to complete the admission file.
- Recorded video auditions are due **February 1** and should be uploaded to the portfolio section within the application portal.

Applicants are advised that satisfying the entrance requirements does not guarantee admission where instrumental and/or program places are limited.
