

SCIENCE MINOR PROGRAMS

- Atmospheric Science Minor (B.Sc.) (18 credits)
- Biology Minor (B.Sc.) (25 credits)
- Biotechnology (for Science Students) Minor (B.Sc.) (24 credits)
- Chemical Engineering Minor (B.Sc.) (24 credits)
- Chemistry Minor (B.Sc.) (20 credits)
- Cognitive Science Minor (B.Sc.) (24 credits)
- Computer Science Minor (B.Sc.) (24 credits)
- Earth System Science Minor (B.Sc.) (18 credits)
- Education for Science Students Minor (B.Sc.) (18 credits)
- Electrical Engineering Minor (B.Sc.) (24 credits)
- Entrepreneurship for Science Students Minor (B.Sc.) (18 credits)
- Environment Minor (B.Sc.(Ag.Env.Sc.)) or (B.Sc.) (18 credits)
- Field Studies Minor (B.Sc.) (18 credits)
- General Science Minor (B.Sc.) (18 credits)
- Geochemistry Minor (B.Sc.) (18 credits)
- Geography Minor (B.Sc.) (18 credits)
- GIS & Remote Sensing Minor (B.Sc.) (18 credits) (Geographic Information Systems and Remote Sensing)
- Geology Minor (B.Sc.) (18 credits) (previously Earth and Planetary Sciences)
- Human Nutrition Minor (B.Sc.(Ag.Env.Sc.)) (24 credits) (see Faculty of Agricultural & Environmental Sciences > *Undergraduate* > *Browse Academic Programs* > *Minor Programs*)
- Interdisciplinary Life Sciences Minor (B.Sc.) (24 credits)
- Kinesiology Minor (B.Sc.) (24 credits)
- Minor in Management for Non-Management Students
- Mathematics Minor (B.Sc.) (24 credits)
- Musical Applications of Technology Minor (B.Mus.) (18 credits) – see Schulich School of Music > *Undergraduate* > *Browse Academic Units & Programs* > *Department of Music Research: Composition; Music Education; Music History; Theory; Faculty Program*
- Musical Science and Technology Minor (B.Mus.) (18 credits) – see Schulich School of Music > *Undergraduate* > *Browse Academic Units & Programs* > *Department of Music Research: Composition; Music Education; Music History; Theory; Faculty Program*
- Natural History Minor (B.Sc.) (24 credits)
- Neuroscience Minor (B.Sc.) (25 credits)
- Pharmacology Minor (B.Sc.) (24 credits)
- Physics Minor (B.Sc.) (18 credits)
- Psychology Minor (B.Sc.) (24 credits)
- Statistics Minor (B.Sc.) (27 credits)

Notes:

1. The Minor in Chemical Engineering is only available to students in Chemistry.
2. The Minor in Electrical Engineering is only available to students in the Major program in Physics.
3. The Minor in General Science is only available to students in B.Sc. Liberal programs.
