

PSYCHOLOGY MINOR (B.SC.) (24 CREDITS)

Offered by: Psychology (Faculty of Science)

Degree: Bachelor of Science

Program credit weight: 24

Program Description

A minor program in Psychology is available to students registered in any B.Sc. program other than Psychology. This program is intended to complement a student's primary field of study by providing a focused introduction to specialized topics in psychology.

A separate minor concentration exists for students registered in a program in the Faculty of Arts.

The Minor program for Science students requires the completion of 24 credits in Psychology, of which no more than 6 may overlap with the primary program. All courses in the Minor program must be passed with a minimum grade of C. A prerequisite to the program is PSYC 204 Introduction to Psychological Statistics. or equivalent.

Note: For information about Fall 2025 and Winter 2026 course offerings, please check back on May 8, 2025. Until then, the "Terms offered" field will appear blank for most courses while the class schedule is being finalized.

Program Prerequisite (0-3)

Students planning to enter the Minor Psychology program are required to complete PSYC 204 Introduction to Psychological Statistics. or equivalent.

¹ CEGEP students may not take PSYC 204 Introduction to Psychological Statistics. if they have completed Probability & Statistics or Statistics with a minimum grade of 75%.
